EXTENDED SHELF LIFE ON MOST XL PRODUCTS

Based on extensive testing, XL Brands/Bostik has extended the shelf life from one year to two years on most products, including Stix Essential RES and Stix Essential HS; providing they remain unopened and are properly stored.

This does not include some specialty products such as Dyna-Stix WDU, Dyna-Stix STP, Dyna-Stix Resilient, HydraStix Series and some specialty products, which will retain the six month to one year shelf life.
